Forecast For East of England
Issued by Met Office Exeter
at 1600 on Thursday 26 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Patchy cloud but plenty of sunny spells.

This Evening and Tonight:
Cloud persisting through the evening with a few light showers. Overnight, skies are likely to clear for much of the region, leading to a cooler night than of late and staying breezy along the coast. Minimum temperature 12 deg C (54 deg F).

Friday:
A largely cloudy day but still some sunny spells. Chance of some isolated showers in the afternoon. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Plenty of cloud with the chance of some isolated showers on Saturday. Dry with sunny spells on Sunday and Monday. Feeling cool.
